Certified Plan Review Inspector will review plans submitted to determine code compliance. If the minimum submittal requirements are not met, we will ask the applicant to supply additional information. If the minimum requirements are met, the plans will be marked “approved”. A building permit will be issued and the applicant will be notified of the inspection fees and when they can pick up the permit at the Laurel Municipal Inspection Agency. All fees shall be paid prior to the issuance of the permit. Then use the inspection procedures provided at issuance of permit to have all of the required inspections performed.
